 - Summary

2. Handset Evolution

57

Introduction

Open Standards & Operating Systems

Mobile Device Convergence

- Standard Mobile Phones

- Converged Mobile Phones

Current & Emerging Handsets

- Some Recent Market Developments

- 2005 Heralds Surge in 3G Handset Initiatives

- Other Developments

- Growing Importance of the User Interface (UI)

- SurfKitchen

- SurfKit Multimedia Desktop

- SurfKit Intelligent Client

- Technology Roadmap

3. Data-Centric Devices Evolution

69

PDA (Personal Digital Assistant)

PDA - Tablet

Palm Zire 72

PDA - Clamshell

Sony Clie PEG TH55 BT/WLAN

Wireless-enabled PDA

BlackBerry 7100V

BlackBerry 7730™

O2 XDA II from mm02

Toshiba e800/e805 Series

Pocket PC Family

Pocket PC or Smartphone?

Pocket PC Devices

Toshiba Pocket PC e335

Acer n10

ASUS MyPal A716 Pocket PC

Dell Axim X3i

HP iPAQ rz1710

Pocket PC Phone Edition Devices

E-TEN P300

Telefonica Movistar TSM500

4. Smartphone Evolution

85

Introduction

Smartphone Devices

palmOne Treo 600

Nokia 9300

Motorola A925

Siemens SX1

Sony Ericsson P900

Nokia N-Gage

Nokia 3660/3620

FOMA F2102V

Sony Ericsson P800

Nokia 7650

Nokia 9210i/Nokia 9210 Communicator

Nokia N-Gage QD

Sendo X

Nokia 7610

Sony Ericsson P910

Panasonic X700

Motorola A1000

Nokia 9500

BenQ P30

Samsung SGH-D710

5. Push to Talk

103

Push to Talk (PTT)/Push to Talk over Cellular (PoC)

Push-to-Talk Phones

Motorola i710 (iDEN™)

Motorola i88s (iDEN™)

BlackBerry 7510™

Nokia 7610

Sapio Visual Communicator

6. 2.5G - 3G Handset Evolution

111

2.5G & 2.75G Devices

2.5G & 2.75G Technologies & Networks

CDMA2000 Phones
 Samsung SCH-X590 CDMA 2000 1x
 Audiovox CDM8300AT
 EDGE Phones
 Nokia 6220
 Sony Ericsson S710A
 Mobile Internet/Browser Centric Handsets
 Opera/Kyocera Lucent LU PS-900
 NTT DoCoMo – The premini

3G Devices

3G Technology & Networks
 UMTS Megapixel Phones
 SonyEricsson K600i
 CDMA 1X EV-DO Phones
 PH-K1000V
 LG VX8000
 CDMA 1X EV-DV Phones
 W-CDMA Phones
 Motorola E1060
 LG U8100
 Nokia 6630
 Bluetooth/BREW 3G Phone
 Toshiba A5504T
 3G i-mode Phones
 Motorola E378i
 NTT DoCoMo - D900i, F900i, N900i, P900i, SH900i

7. Innovations & Specialised Devices

129

Wearable Mobile Technology

Moto's Oakley Sunglasses
 neoFone
 neoSnap
 Connected Pen (HIT Incorporated)
 Indenticom
 Health Alert Equipment
 Vivometrics Life Shirt
 Sanyo/Alviss PMG & Credit Card Size Companion Devices
 AudiSoft Frontline Head-Worn Camera
 NEC 616e Videophone
 RIVA Networks Wearable GSM Basestation
 Orange Wearaphone 1
 Orange Wearaphone 2 Backpack
 CreateWear Active Displays
 Xelibri 8 Fashion Phone
 Thinking Materials Phone Watch
 iTech HHR FM radio with Bluetooth Headset
 Frog Design & Motorola - Future Internet Wear
 Motorola Intelli-pen
 Connected Jewellery Concepts from WebMobility Ventures

Other Innovations

Nokia N91
 Push-to-View
 Digitizer3 - First Camera Phone Scanner
 Messaging Phone
 SGH-Z130 Swivel Screen Mobile Phone
 GSM/GPRS: Card-Shaped Wireless Internet Phone
 3D Phones
 India's First Watch Phone
 Telson TWC 1150
 Finger Stimulation Via Wireless Phones
 LG Telecom: March, 2004

Wireless Point and Click for Camera Phones
Bango

8. Future Expectations

141

Principal Messages

Market Dynamics

- Dynamic Services/Platforms
- More Operator Power
- A Case for More Sophistication?
- Inhibitors
- Co-operation/Co-opetition?
- Branding
- User is King
 - Tangibility
 - Enabler or Window on the World
 - Out of the Box
 - Personalisation/Customisation/Differentiation
 - Customer Care or Empowerment
 - Usability
- Convergence
- Trusted Terminals/Digital Rights (DRM)
- Mirroring the Desktop

Consumer Market

Enterprise Market

Mobile Email

Potential Growth Areas/Applications

- Push-to-Talk (PTT/P2T) or Push to Talk over Cellular (PoC)
- Location Based Services
- VoIP (Voice over IP)
- Mobile Video - The Moving Image
- Lifestyle Engineering
- Flash Players
- Third World Demand

The Future of Handsets

The Future of Networks

2.5G & 3G

Conclusion

9. Mobile Subscriber Market

157

Market Conditions

- Competition
 - Margins & Prices
- Mobile Data
 - Cultural Contrasts
 - Interoperability Issues
- Impact of Emerging Technologies
 - Bluetooth
 - Wi-Fi
 - Push to Talk
 - Others
- Emerging Markets
 - China
 - India
- Replacement Market

Regional Market Size & Subscriber Forecasts 2005-2010

- Historical Subscriber Growth
 - Regional Market Size
- Subscriber Forecasts 2005-2010 - All Technologies
 - Regional Forecast
 - Regional Subscriber Distribution Forecast

- Regional Subscriber Growth Rates Forecast
- Regional Mobile Penetration Rates Forecast
- Regional Analysis
 - North America
 - South America
 - Europe
 - Asia Pacific
 - Rest of the World

Subscriber Market & Forecasts by Technology 2005-2010

- Size of Global 1G & 2G Market
- Size of Global 2.5G & 3G Market
 - 3G Subscribers by Country
- 2.5G/3G Global Subscriber Forecasts
- 2.5G/3G Subscriber Forecasts by Region
 - 2.5G/3G Subscribers Regional Forecast
 - 2.5G/3G Subscribers Regional Distribution

10. Mobile Phone Shipments & Forecasts

179

Shipments by Region

- Historical Shipments & Forecasts
 - Historical Forecasts Fall Short
 - Reported Shipment Units 2003/2004
- Regional Shipments Forecast 2005-2010
 - Regional Trends & Analysis
 - Regional Shipments Forecasts 2005-2010

Shipment by Technology

- Handset Shipments & Forecasts - Europe

Shipments by Technology 2005-2010

- Technology Trends & Analysis
- Shipments Forecast All Technologies 2005-2010
- Distribution of Shipments by Technology Forecast
 - 1G & 2G Shipments Forecast
 - 2.5G & 3G Shipments Forecast
 - 1G/2G Shipment Forecasts Regional Distribution
 - 2.5G/3G Shipment Forecasts Regional Distribution

11. Mobile Phone Shipments by Vendor

189

A Shift in the Balance of Power

- The Advance of China
 - Handsets
 - Infrastructure
- Worldwide Shipments 2002/2003
- Worldwide Shipments 2004

Profiles of Market Leaders

- LG Electronics
 - Performance in the Market
- Motorola
 - Performance in the Market
- Nokia
 - Performance in the Market
 - Looking Ahead
- Samsung
 - Performance in the Market
- Siemens
 - Performance in the Market
- Sony Ericsson
 - Performance in the Market

Other Mobile Phone Manufacturers

- Alcatel
 - Performance in the Market

- Ericsson
- Kyocera
- Matsushita Communications Industrial (MCI)/Panasonic
- NEC
 - Performance in the Market
- Philips
- Sagem
- Sendo

12. Handhelds/Converged Devices – Shipments & Vendors

207

Shipments

- Device Definitions
- Shipments of Handhelds/Converged Devices 2003
- Shipments of Handhelds/Converged Devices 2004
- Shipments of Handhelds/Converged Mobile Devices by Operating System
- PDA's
 - PDA Shipments by Vendor 2003
 - PDA Installed Base 2003
 - PDA Shipments by Vendor 2004
 - PDA Forecasts
- Smartphones
 - Smartphone Market Prognosis
 - Smartphone Operating Systems
 - Smartphone Shipments 2003/2004
 - Smartphone Forecasts
- Camera Phones
 - Camera Phone Shipments
 - Camera Phone Penetration

Principal Handheld & Converged Device Vendors

- Dell
 - Performance in the Market
- Fujitsu
 - Performance in the Market
- HP
 - Performance in the Market
- palmOne
 - Performance in the Market
- RIM (Research in Motion)
 - Performance in the Market
- Sony
 - Performance in the Market
- Symbol Technologies
 - Performance in the Market
- Toshiba
 - Performance in the Market
