

# Future Mobile Enterprise

## Forecasts, Markets & Devices 2009-2014

# Table of Contents

**Glossary of Terms.....9**

## Executive Summary

---

**The Case for Mobile Enterprise ..... 11**

**What Is The Report About? ..... 12**

**The Mobile Enterprise Opportunity ..... 12**

    Making Businesses More Cost-Efficient..... 12

        Table ES1: Examples of Mobile Enterprise Applications..... 13

    Devices and Solutions Useful Across Multiple Industry Verticals ..... 14

    Mobile Device Management & Security Are Critical Issues..... 14

    Mobile Enterprise Services/Applications Value Chain..... 14

    Enterprise Mobile Connections Set To Grow ..... 15

        Table ES2: Business Mobile Connections (m) by 8 Key Regions, 2008-2014 ..... 15

        Figure ES1: Business Mobile Subscriptions (m) by 8 Key Regions, 2007-2014 ..... 16

        Table ES3: Global Business Mobile Connections (m) by Technology (2G, 2.5G, 3G, 3.5G/3.9G), 2008-2014..... 16

        Figure ES2: Global Business Mobile Connections (m) by Technology, (2G, 2.5G, 3G, 3.5G/3.9G), 2008-2014..... 17

    The Mobile Enterprise Mobile Revenue Curve..... 17

        Table ES4: Mobile Business Revenues (\$m), by 8 Key Regions 2008-2014..... 17

        Figure ES3: Mobile Business Revenues (\$m), By 8 Key Regions, 2008-2014 ..... 18

    Trends in Types of Device Usage..... 18

        Table ES5: Mobile Enterprise Devices in Use (m), 2008-2014..... 19

    Types of Access Diversify ..... 19

        Figure ES4: Enterprise Wireless Dongle Accesses (m), by 8 Key Regions 2008-2014 ..... 20

    Mobile Computers Becoming Increasingly Important..... 20

        Figure ES5: Forecast Growth of Portable PC Market (millions of units), by 8 Key Regions 2007-2014 ..... 21

**Hurdles to Adoption and Deployment ..... 21**

**Recommendations for ‘Unwired Enterprises’ ..... 22**

    Mobile Applications ..... 22

    Mobile Device Management & Security ..... 22

## I. The Mobile Enterprise Market

---

**I.1 The ‘Unwired Enterprise’ Scenario ..... 23**

**I.2 Market Drivers ..... 24**

    I.2.1 Digital Economy Drives Enterprise Market ..... 24

|   |           |
|---|-----------|
| Table 1.1: Examples of Mobile Enterprise Applications .....         | 24        |
| 1.2.2 Benefits of Enterprise Mobility .....                         | 25        |
| 1.2.3 Disadvantages of Enterprise Mobility .....                    | 25        |
| <b>1.3 Industry Verticals .....</b>                                 | <b>26</b> |
| 1.3.1 Mobile Enterprise Platforms Used Across Many Industries ..... | 26        |
| 1.3.2 Finance/Banking/Insurance .....                               | 26        |
| i. Banking .....  | 26        |
| ii. Investment .....  | 27        |
| iii. Insurance .....  | 27        |
| 1.3.3 Healthcare .....  | 27        |
| 1.3.4 Manufacturing/Logistics .....                                 | 28        |

## 2. Mobile Services & Applications

---

|  |           |
|--|-----------|
| <b>2.1 Mobile Enterprise Services Value Chain .....</b>                  | <b>35</b> |
| <b>2.2 'Real-Time' Communications: Voice and Video .....</b>             | <b>35</b> |
| 2.2.1 Voice Telephony .....  | 35        |
| 2.2.2 Video Communications .....   | 36        |
| <b>2.3 Messaging: Mobile Email, IM and SMS .....</b>                     | <b>36</b> |
| 2.3.1 SMS/MMS .....  | 37        |
| 2.3.2 Mobile email .....   | 37        |
| 2.3.3 Push email .....   | 37        |
| i. VISTO Acquires Good Technology, Aims To Dent RIM's Market Share ..... | 37        |
| ii. Synchronica Extends Mobile Email To Low End Devices .....            | 38        |
| 2.3.4 Mobile Messaging .....   | 38        |
| 2.3.5 Unified Messaging .....  | 39        |
| <b>2.4 Computing &amp; Information Access .....</b>                      | <b>39</b> |
| <b>2.5 Business Process Applications .....</b>                           | <b>40</b> |
| <b>2.6 Other Applications .....</b>                                      | <b>40</b> |

### 3. Access Platforms & Devices

---

|  |           |
|--|-----------|
| <b>3.1 Key Mobile Platforms</b> .....  | <b>41</b> |
| 3.1.1 Public Cellular Networks.....  | 41        |
| i. 2G/2.5G.....  | 41        |
| ii. 3G.....  | 42        |
| iii. 3.5G/3.9G/4G.....   | 42        |
| 3.1.2 Public Trunked Mobile Radio Networks.....  | 42        |
| i. SMR.....  | 42        |
| 3.1.3 Private Wireless Networks.....   | 43        |
| i. Wireless LANs.....  | 43        |
| ii. TETRA.....   | 43        |
| <b>3.2 Key Mobile Devices</b> .....  | <b>44</b> |
| 3.2.1 PDAs.....  | 44        |
| i. Overview.....   | 44        |
| Figure 3.1: Annual Global PDA Shipments, 2001-2006 (millions of devices).....                | 45        |
| Figure 3.2: Acer n311 PDA.....   | 45        |
| ii. Typical Features.....  | 45        |
| iii. Wireless Connectivity/Synchronisation.....  | 46        |
| iv. Rugged PDAs.....   | 46        |
| 3.2.2 Pocket PCs.....  | 46        |
| Figure 3.3: Hewlett-Packard iPAQ Pocket PC hx2790.....                                       | 47        |
| 3.2.3 Smartphones.....   | 47        |
| Figure 3.4: BlackBerry Bold Smartphone.....  | 47        |
| Figure 3.5: Smartphone Shipments per annum (m), by 8 Key Regions, 2007 Actual; 2008-2013 ... | 48        |
| 3.2.4 Mobile Computers.....  | 49        |
| i. Laptops.....  | 49        |
| ii. Dongles.....   | 49        |
| Figure 3.6: Sierra Wireless USB Mobile Broadband Modem.....                                  | 50        |
| iii. Notebooks.....  | 50        |
| iv. Netbooks.....  | 51        |
| v. Usage of Wireless Connectivity Via Mobile Computing Devices.....                          | 51        |
| 3.2.5 Ultra-Mobile PCs.....  | 52        |
| Figure 3.7: Nova Mobility Q1UP-V UMPC (HSDPA-capable), 2008.....                             | 52        |
| 3.2.6 Internet Tablet.....   | 52        |
| Figure 3.8: Nokia N800 Internet Tablet, 2007.....  | 53        |
| 3.2.7 Mobile Internet Devices.....   | 53        |
| Figure 3.9: O2 Joggler Mobile Internet Device, March 2009.....                               | 54        |
| 3.2.8 Dedicated Function Hand-held Devices.....  | 54        |
| Figure 3.10: SCANNODY Barcode/RFID Reader/Scanner, From Panmobil.....                        | 54        |

### 4. Key Players Strategies

---

|   |           |
|---|-----------|
| <b>4.1 Introduction .....</b>                                   | <b>55</b> |
| <b>4.2 Research In Motion (RIM).....</b>                        | <b>55</b> |
| 4.2.1 Overview.....   | 55        |
| 4.2.2 Financial Performance .....                               | 56        |
| 4.2.3 BlackBerry Devices .....                                  | 56        |
| 4.2.4 BlackBerry Solution Portfolio .....                       | 57        |
| Figure 4.1: BlackBerry Solution Portfolio, January 2009 .....   | 57        |
| Figure 4.2: BlackBerry Solution Comparison, January 2009.....   | 57        |
| i. BlackBerry Enterprise Solution .....                         | 58        |
| Figure 4.3: BlackBerry Enterprise Solution Architecture.....    | 58        |
| 4.2.5 BlackBerry Unite! .....                                   | 59        |
| Table 4.1: BlackBerry Unite! Multiple Market Capabilities ..... | 60        |
| 4.2.6 BlackBerry Application Storefront .....                   | 60        |
| 4.2.7 BlackBerry Integration With Lenovo Laptop Computers ..... | 61        |
| <b>4.3 Nokia.....</b>   | <b>61</b> |
| 4.3.1 Overview.....   | 61        |
| 4.3.2 Financial Performance .....                               | 62        |
| 4.3.3 Products .....  | 62        |
| i. Devices .....  | 62        |
| ii. Services & Software.....                                    | 63        |
| a. Ovi.....   | 64        |
| b. Qt.....  | 65        |
| c. Nokia Messaging.....   | 65        |
| <b>4.4 Motorola.....</b>  | <b>65</b> |
| 4.4.1 Overview.....   | 65        |
| 4.4.2 Financial Performance .....                               | 66        |
| 4.4.3 Products .....  | 67        |
| i. Mobile Device Portfolio.....                                 | 67        |
| ii. Enterprise Mobility Product Portfolio .....                 | 67        |
| iii. New Enterprise Digital Assistant.....                      | 68        |
| Figure 4.4: Motorola MC55 Enterprise Digital Assistant.....     | 68        |
| <b>4.5 Microsoft.....</b>                                       | <b>69</b> |
| 4.5.1 Microsoft Overview.....                                   | 69        |
| 4.5.2 Financial Performance .....                               | 69        |
| 4.5.3 Microsoft Windows Mobile .....                            | 70        |
| i. Operating System.....  | 70        |
| ii. Mobile Devices .....  | 70        |
| iii. Looking Ahead.....   | 71        |
| iv. Vodafone Offers Microsoft Online Services.....              | 71        |
| <b>4.6 Dexterra .....</b>                                       | <b>72</b> |
| 4.6.1 Dexterra Overview .....                                   | 72        |
| 4.6.2 Interview .....   | 72        |

- 4.6.3 Products.....74
  - i. Case Study: Virgin Media .....74
  - ii. Case Study: Parts Associates .....75
  - iii. ROI Calculator .....75
- 4.7 Mformation Technologies.....76**
  - 4.7.1 Mformation Overview .....76
  - 4.7.2 Product .....76
    - i. Platform .....76
    - ii. Achievements 2008-2009 .....77
  - 4.7.3 Interview.....78
- 4.8 Sybase .....78**
  - 4.8.1 Overview .....79
  - 4.8.2 Financial Performance.....79
  - 4.8.3 Products.....79
    - i. Sybase Unwired Platform.....79
    - Figure 4.5: Sybase Unwired Platform Architecture .....80
    - ii. Afaria Mobile Management and Security Software.....80
    - iii. iAnywhere Mobile Office.....80
    - iv. SQL Anywhere Database Management Software.....80
- 4.9 VeriSign .....80**
  - 4.9.1 Overview .....81
  - 4.9.2 Financial Results .....81
  - 4.9.3 VeriSign Mobile Enterprise Services .....81
    - i. Features .....81
    - ii. Multiple Modalities for Message Delivery.....82
    - iii. Intelligent Message Processing.....82
    - iv. Monitoring Tools and Interfaces .....82

## 5. Hurdles To Adoption & Deployment

---

- 5.1 Device Form, Capacity, and Battery Life.....83**
- 5.2 Handset User Interfaces/Operating Systems .....84**
  - 5.2.1 Problems In Accessing Services and Applications.....84
    - i. Program Navigation and Use Can Be Problematic.....84
    - ii. Complex Device Set-Up Can Prove Challenging.....84
  - 5.2.2 Problems In Utilising Multiple Applications Simultaneously.....85
- 5.3 Network Speed and Coverage .....85**
- 5.4 Data Service Costs .....86**
- 5.5 Security and Mobile Device Management.....87**
- 5.6 The Recession .....87**

## 6. Forecasts: Connections, Revenues & ARPU

|  |           |
|--|-----------|
| <b>6.1 Assumptions &amp; Methodology .....</b>   | <b>89</b> |
| <b>6.2 Mobile Connections.....</b>   | <b>90</b> |
| 6.2.1 Mobile Enterprise Connections .....  | 90        |
| Table 6.1: Global Mobile Connections (m) by 8 Key Regions, 2008-2014 .....   | 90        |
| Table 6.2: Business Mobile Connections (as % of Total Connections), by 8 Key Regions, 2008-2014.....                       | 91        |
| Figure 6.1: Business Mobile Connections (m), by 8 Key Regions, 2007-2014.....  | 92        |
| Table 6.3: Business Mobile Connections (m), by 8 Key Regions, 2008-2014.....   | 93        |
| 6.2.2 Business Mobile Connections by Technology: 2; 2.5G; 3G; 3.5/3.9G.....  | 93        |
| Figure 6.2: Global Business Mobile Connections (m) by Technology (2G, 2.5G, 3G, 3.5G/3.9G), 2008-2014 .....                | 93        |
| Table 6.4: Global Business Mobile Connections (m) by Technology (2G, 2.5G, 3G, 3.5G/3.9G), 2008-2014 .....                 | 94        |
| i. North America .....   | 94        |
| Figure 6.3: Business Mobile Connections (m) by Technology (2G, 2.5G, 3G, 3.5G/3.9G), North America, 2008-2014.....         | 94        |
| Table 6.5: Business Mobile Connections (m) by Technology (2G, 2.5G, 3G, 3.5G/3.9G), North America, 2008-2014.....          | 95        |
| ii. South America .....  | 95        |
| Figure 6.4: Business Mobile Connections (m) by Technology (2G, 2.5G, 3G, 3.5G/3.9G), South America, 2008-2014.....         | 95        |
| Table 6.6: Business Mobile Connections (m) by Technology (2G, 2.5G, 3G, 3.5G/3.9G), South America, 2008-2014.....          | 96        |
| iii. Western Europe.....   | 96        |
| Figure 6.5: Business Mobile Connections (m) by Technology (2G, 2.5G, 3G, 3.5G/3.9G), Western Europe, 2008-2014.....        | 96        |
| Table 6.7: Business Mobile Connections (m) by Technology (2G, 2.5G, 3G, 3.5G/3.9G), Western Europe, 2008-2014 .....        | 97        |
| iv. Eastern Europe .....   | 97        |
| Figure 6.6: Business Mobile Connections (m) by Technology (2G, 2.5G, 3G, 3.5G/3.9G), Eastern Europe, 2008-2014.....        | 97        |
| Table 6.8: Business Mobile Connections (m) by Technology (2G, 2.5G, 3G, 3.5G/3.9G), Eastern Europe, 2008-2014.....         | 98        |
| v. Far East & China.....   | 98        |
| Figure 6.7: Business Mobile Connections (m) by Technology (2G, 2.5G, 3G, 3.5G/3.9G), Far East & China, 2008-2014 .....     | 98        |
| Table 6.9: Business Mobile Connections (m) by Technology (2G, 2.5G, 3G, 3.5G/3.9G), Far East & China, 2008-2014 .....      | 99        |
| vi. Indian Sub Continent.....  | 99        |
| Figure 6.8: Business Mobile Connections (m) by Technology (2G, 2.5G, 3G, 3.5G/3.9G), Indian Sub Continent, 2008-2014 ..... | 99        |
| Table 6.10: Business Mobile Connections (m) by Technology (2G, 2.5G, 3G, 3.5G/3.9G), Indian Sub Continent, 2008-2014 ..... | 100       |
| vii. Rest of Asia Pacific.....   | 100       |
