## I. Introduction

---

I.1 Tracking and Navigation – Key Location Based Services.....	29
I.2 Explosive Growth in Personal Navigation Solutions.....	30
I.3 Tracking Applications Gain Momentum.....	32
I.4 Enter (Re-enter) the Mobile Phone.....	32
I.5 Report Scope and Structure .....	33
I.5.1 Report Scope .....	33
I.5.2 Report Structure.....	33

## 2. Technologies

2.1 Introduction .....	35
2.1.2 Navigation .....	35
2.1.3 Tracking.....	36
Figure 2.1: Basic Components of a Telematics System.....	37
2.2 Enabling Technologies.....	37
Figure 2.2: Delivering Mobile Location Based Services.....	38
Figure 2.3: Role of Wireless Network in Delivering Location Based Service.....	38
2.2.1 Positioning Technologies.....	39
i. Positioning Technologies for MLBS .....	39
Table 2.1: Comparison of Mobile Positioning Technologies.....	40
ii. Geographical Positioning using Satellites .....	41
iii. Galileo.....	41
2.2.2 Handsets and Devices.....	42
i. Portable Navigation Devices .....	42
Figure 2.4: TomTom 715 PND with Integrated SIM .....	44
ii. Using Mobile Phones for Navigation .....	44
Figure 2.5: Navicore Bluetooth GPS Receiver .....	45
Figure 2.6: Nokia Mobile Phones/Devices with Integral GPS Receiver.....	45
iii. Tracking Devices .....	46
a. People Tracking.....	46
Figure 2.7: Kiditel Child Tracking Device.....	46
b. Vehicle Tracking Devices.....	46
Figure 2.8: CarBug® GPS Vehicle Tracking Device .....	47
Figure 2.9: Navman TeliNav Cube 2.....	47
2.2.3 Location Middleware.....	47
2.2.4 The User Interface.....	48
2.3 Suppliers of Enabling Technologies and Data.....	49
2.3.1 NAVTEQ .....	50
i. Company .....	50
ii. Products and Services .....	50
2.3.2 Nokia .....	51
i. Company .....	51
ii. Background and Strategy for Location Awareness in Mobile Phones.....	51
iii. Products and Services .....	52
2.3.3 SiRF Technology Inc.....	53
i. Company .....	53
ii. Products and Services .....	53
Figure 2.10: SiRFLoc Server Functional Block Diagram .....	54
2.3.4 Telecommunications Systems Inc .....	55

## 4. Vehicle and People Tracking Solutions

4.1 Applications Covered .....	83
Figure: 4.1 Tracking Applications & Product Coverage .....	83
4.2. Regulations Relating to Tracking Vehicles and People.....	84
4.2.1. Mobile Operators' Code of Conduct .....	84
4.2.2 Code of Conduct for French Employers .....	85
4.2.3. EU Telecoms Data Retention Directive.....	85
4.2.4. EU Regulations and Initiatives to Promote Vehicle, Driver and Passenger Safety ....	86
i. EU Working Time Directive .....	86
ii. Reducing Road Congestion Through Tracking .....	87
iii. E112 and the eCall Project .....	88
Figure 4.2: eCall In Vehicle System - Simplified Functional Architecture .....	90
4.3 EU Research Projects .....	91
4.3.1 GST – Telematics Integrated Project.....	91
i. AGILE.....	92
ii. CVIS.....	92
4.4 Vehicle Tracking Applications.....	92
4.4.1 Commercial Vehicle Tracking.....	92
4.4.2 ALK Technologies – CoPilot Live FleetCenter .....	94
Figure 4.3: MDA III With Fleet Destination.....	94
Figure 4.4: FleetCenter Web Screen.....	95
4.4.3 Blue&Me.....	96
4.4.4 Telargo Control Center.....	96
4.4.5 TomTom WORK .....	97
Figure 4.5: TomTom WORK Active and WORK Compact Components.....	98
Figure 4.6: TomTom WEBFLEET Screen .....	99
4.4.6 Volvo Trucks - Dynafleet Fleet Management.....	99
4.4.7 Vehicle Tracking For Insurance Purposes.....	101
4.5 People & Phone Tracking.....	102
4.5.1 Kiditel.....	102
4.5.2 mapAmobile .....	103

i. mapAmobile Consumer Edition.....	103
ii. mapAmobile Corporate Edition .....	104
4.5.3 MobileLocate/ChildLocate .....	104
i. ChildLocate.....	104
Figure 4.7: ChildLocate SMS and Web Locations.....	105
ii. MobileLocate .....	105

## 5. RFID Tracking

---

5.1 RFID Technology .....	107
5.2 How RFID Works .....	108
Figure 5.1 Components of a Simple RFID System.....	109
5.3 Applications of RFID Technology .....	109
5.4 The RFID Supply Chain .....	109
Figure 5.2: Industry Participants in the RFID Supply Chain.....	110
5.5. RFID Regulation and Concerns .....	110
5.5.1 UK Privacy Guidelines on RFID.....	111
5.5.2 EU Moves on RFID .....	111
i. Privacy .....	111
ii. RFID Tracking for People.....	112
iii. Harmonisation of RFID Technology .....	112
5.6 Vehicle and People Tracking Using RFID .....	113
Figure 5.3: AeroScout Tag As Used At Legoland .....	115
5.7 Future Directions for RFID and Related Technologies .....	116
5.7.1 Near Field Communications .....	116
5.7.2 RuBee.....	116
5.7.3 Mobile RFID .....	117
5.7.4 Integration of RFID with GPS .....	117

## 6. Western European Market Forecasts

---

6.1 Forecast Assumptions and Methodology .....	119
6.1.1 PND Market Assumptions.....	119
i. Product Definition.....	120
ii. Revenues Included .....	120
iii. Penetration of Vehicle Base.....	120
Table 6.1: % of Vehicle Users using PNDs, 2007 - 2012 .....	120
iv. Pricing.....	120
Table 6.2: New PND Price Levels, 2007 – 2012 (€) .....	120
Table 6.3: Average PND Add-On/Upgrade Spend Per User Per Year, 2007 – 2012 (€).....	121

v. Replacement.....	121
6.1.2 On-Board Navigation Software Market Assumptions .....	121
i. Product Definition .....	121
ii. Revenues Included .....	122
iii. Penetration of Device Base .....	122
Table 6.4: % of Mobile Subscribers using On-Board Navigation Solutions, 2007 – 2012.....	122
iv. Pricing.....	122
Table 6.5: On-Board Navigation Solution Price Levels, 2007 – 2012 (€).....	123
Table 6.6: Average On-Board Solution Add-On/Upgrade Spend Per User Per Year, 2007 – 2012 (€).....	123
v. Replacement.....	123
6.1.3 Off-Board Navigation Services Market Assumptions.....	123
i. Product Definition .....	123
ii. Revenues Included .....	124
iii. Penetration of Device Base .....	124
Table 6.7: % of Mobile Subscribers using Off-Board Navigation Solutions, 2007 – 2012.....	124
iv. Pricing.....	124
Table 6.8: Off-Board Navigation Solution Monthly Subscription Prices, 2007 – 2012 (€).....	124
6.1.4 Vehicle Tracking Services Market Assumptions.....	125
i. Product Definition: .....	125
ii. Revenues Included: .....	125
iii. Penetration of the Vehicle Base:.....	125
Table 6.9: % of Commercial Vehicles with Active Tracking, 2007 – 2012.....	125
Table 6.10: % of Passenger Cars with Active Tracking, 2007 – 2012.....	126
iv. Pricing:.....	126
6.1.5 Phone Tracking Market Assumptions .....	126
i. Product Definition .....	126
ii. Revenues Included .....	126
iii. Penetration of the Device Base and Usage .....	126
Table 6.11: % of Mobile Subscribers using Phone Tracking Solutions, 2007 – 2012.....	127
Table 6.12: Average Annual Number of “Locations” Using Phone Tracking Solutions, 2007 - 2012 .....	127
iv. Pricing.....	127
Table 6.13: Average Price per Locate for Phone Tracking Solutions, 2007 – 2012 (€) .....	127
6.2 Western European Market Overview .....	128
6.2.1 Demographic and Economic Environment .....	128
Table 6.14: Population by Country Group (000's), 2002-2005.....	128

Table 6.15: Estimated Population by Country Group (000's), 2012.....	129
6.2.2 Road Transport .....	129
Table 6.16: Number of Cars and Commercial Vehicles per 1000 population for Selected Economies, January 2005 .....	130
6.2.3 Mobile Communications .....	130
Figure 6.1: Mobile Subscriber Penetration in Western Europe, 2005 (%) .....	131
Figure 6.2: Total Mobile Phone Subscribers by Country Group .....	131
Table 6.17: Total Mobile Phone Subscribers by Country Group .....	132
Figure 6.3: Penetration of 3G Subscribers into the Western European Subscriber Base, 2007 to 2012 (%) .....	132
Table 6.18: Major Operator Group Stakeholder Operations in Western Europe .....	133
6.3 Western European Market for Portable Navigation Solutions.....	134
Figure 6.4: Portable Navigation Solution Users – PND, Off-board Software, On-board Software. Western Europe, 2007 – 2012 (000's).....	135
Table 6.19: Portable Navigation Solution Users – PND, Off-board Software, On-board Software. Western Europe, 2007 – 2012 (000's).....	135
Figure 6.5: Portable Navigation Solution Revenues – PND, Off-board Software, On-board Software in Western Europe, 2007 – 2012 (€000's).....	136
Table 6.20: Portable Navigation Solution Revenues – PND, Off-board Software, On-board Software in Western Europe, 2007 – 2012 (€000's).....	136
Figure 6.6: PND and On-Board Navigation Solution Revenues in Western Europe, 2007 – 2012. New and Add-On Sales (€000's) .....	137
Table 6.21: PND and On-Board Navigation Solution Revenues in Western Europe, 2007 – 2012. New and Add-On Sales (€000's) .....	137
6.4 Western European Market for Wireless Tracking Solutions.....	138
Figure 6.7: Vehicle and Phone Tracking Users in Western Europe, 2007 – 2012 (000's) .....	139
Table 6.22: Vehicle and Phone Tracking Users in Western Europe, 2007 – 2012 (000's) .....	139
Figure 6.8: Vehicle and Phone Tracking Revenues in Western Europe, 2007 – 2012 (€).....	140
Table 6.23: Vehicle and Phone Tracking Revenues in Western Europe, 2007 – 2012 (€000's) .....	140

## 7. Regional Forecasts

---

7.1 Regional Definitions .....	141
7.2 Regional Usage & Revenue Breakdown.....	141
7.2.1 Portable Navigation Users and Revenues .....	141
Figure 7.1: Portable Navigation Users; PND, On-Board Software and Off-Board Software, in Western Europe, 2007 to 2012, Geographic Breakdown (000's) ....	142

i. Background and Strategy .....	237
ii. Overview of Location Services .....	238
iii. Supporting Technology and Partners .....	238
iv. Future Plans .....	239
8.4.6 T-Mobile UK .....	239
i. Company .....	239
ii. Products and Services .....	239
iii. Navigation and Tracking in the UK Market .....	240
iv. Future .....	240

## 9. Future Directions

---

9.1 Market and Product Directions.....	241
9.1.1 Original Equipment v Portable Solutions .....	241
9.1.2 PND v Mobile Phone .....	242
9.1.3 Wireless Connectivity .....	243
9.1.4 Industry Consolidation .....	244
9.2 Driver and Vehicle Safety.....	244
9.2.1 Driver and Vehicle Safety Research Initiatives.....	244
i. A Green Sat Nav Application to Minimise Pollution .....	246
ii. Telcordia Telematics Platform .....	246
9.2.2 Portable Navigation Solutions and Driver Safety .....	248
9.3 Enhancing Map Information .....	248
9.3.1 Brunel University Remote Vision Project.....	249
9.3.2 Il Village Easy Walk.....	249
9.4 Enhancing Communications with Hybrid Networks.....	250
9.5 Social and Community Applications.....	250
9.6 Implications of Tracking for Surveillance .....	251
